TO OUR VALUED CUSTOMERS:

With the year 2015 drawing to a close and the Holiday Season upon us, we realize that the spirit of giving and receiving gifts and gratuities is characteristic of this time of year. However, we believe that service, fair value, and a mutually beneficial relationship based on integrity are the best avenues to goodwill between our two companies. In line with this belief and in accordance with our policy, "goodwill" gifts are not looked upon as necessary to improve our business relationship.

We do wish to take this opportunity to express our sincere appreciation for your business during 2015. We are confident that together our relationship will grow and prosper in the coming year.

We extend to you and yours a most joyous Holiday Season, and may the New Year bring you continued achievement and prosperity.

Sincerely,

MARMON/KEYSTONE CANADA INC.
